On October 23rd, the President of the Republic, Gabriel Boric, received the joint development commitment signed by the regional government; the municipality of Valparaíso; and Empresa Portuaria Valparaíso (port authority).

Agreement for Valparaíso

Within the framework of the Agreement for Valparaíso, Empresa Portuaria Valparaíso, undertakes to:

- Promote complementarity between the ports of the region.
- New port-city relationship that articulates the different vocations.
- Expansion proposal: docking fronts are extended; new collection area; integrated coastal edge; and a cruise ship dock for preferential use.
